- Register the person living with dementia with a registry some communities have Project Lifesaver, or a Vulnerable Persons Registry – for those that don't, there is MedicAlert® Safe and Found®
- Label clothing with name and care partner's phone number
- Save scent (swab with a cotton ball the armpit and put in sterilized container) for use by dogs in search and rescue
- Use a locating device. You can compare devices at tech.findingyourwayontario.ca
- · Camouflage doors to deter leaving
- Provide a safe, clutter-free space to pace
- Put this form in a Ziploc bag and place in freezer for safe keeping—leave a note on the fridge to indicate this form is there
- Use Finding Your Way's Incident Response and Post-Incident checklists when the person living with dementia goes missing
